WEEKLY NEWSLETTER
December 6, 2012

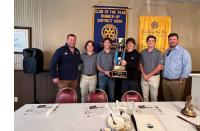

Wish the Plaza Staff a MERRY CHRISTMAS!

Each year at Christmas, we collect a gift to give to our hard working servers at The Plaza. Please come purchase to Thursday's meeting. CART buckets will be on the table to collect your monetary donations.

Thomas County Central Golf Team WINS

The golf team of Thomas County Central High School was awarded the prized trophy to display for yet another year after winning the competition between Thomasville High School, Brookwood School and Thomas County Central High School at the previous United Way Golf Tournament sponsored by the Rotary Club of Thomasville. Rick Piper presented the trophy as it was purchased in honor of his late grandfather W. C. Nixon, his name proudly displayed on the trophy. Rick stated that he was the greatest man who ever lived. He stepped in and helped raise him as a child. In 1962, Rick and his grandfather attended the U.S. Open and watched Jack Nicklaus beat Arnold Palmer. Rick said that his grandfather was a great man and that he was very proud to pay the entry fee for the tournament for each of the public schools. Thank you, Rick for your dedication to keep our youth involved in our service fundraiser for the United Way. Congratulations TCCHS!

Two MEMBERS inducted

Help us welcome Brighton Bridges and Tom Shaw to our club. Brighton is the owner of the Brighton Farm Apartments in Thomasville and in Tallahassee. Tom is an attorney with Alexander & Vann.

Wine or Whine Fun YESTERDAY

What a great time at The Residence at Oak Grove Wine or Whine! Thank you Lindsay for hosting.

Rotary Has Heart for Seniors District Grant

President Danny Braddy has a heart for seniors. He was granted a district grant this year to help our local seniors feel loved, appreciated, and cared for. This began with a pen pal program with our Scott Senior Center attendees. Each quarter, there are sent a letter from the Rotary Club of Thomasville. They are also sent a birthday card on their birthday. But the Rotary Club wanted to do more. On Wednesday November 21st, the club members gathered at the Senior Center to pack bags for the seniors. The members wanted to thank the seniors for their willingness to connect with us. We also included a self-addressed stamped envelope to encourage them to write to us. In their bags were toiletry items, socks, and fruit. We watched about 50 individuals smile as they peeked in their bags to find the goodies. Rotary Has Heart for SENIORS!

The Big Impact Project Continues

After a careful and thorough review of how the Rotary Club of Thomasville could be the most impactful in our community, the Big Impact Project was born. Thomasville Rotarians and Second Harvest of South Georgia host a free produce market monthly at Weston Park where people can sign up for produce as well as shelf stable products. More than 250 households representing over 700 individuals were served at November's market. Supported by a Foundation grant, club funds, a donation from the local Boys & Girls Club, and donations from local growers and Second Harvest, the Rotary Club of Thomasville meets to pack and sort prior to such produce market. Members, their spouses, children, friends, and Second Harvest staff set up and host the market each month. The market is part of the club's Big Impact Project, aimed at improving quality of life and the health of all in the community over time. Other phases of the project include an annual community resources fair and the launch of community gardens.

Our next packing day is Thursday, December 13th at Second Harvest 11:30am - 1:00pm.
Our next Fresh Produce Market Giveaway is Saturday, December 15th at Weston Park 9:00am - 1:00pm.
