President John's Message

March is only a week old and already we've completed two great service projects. Many of us read to Kindergarteners in the Roswell High cluster of elementary schools last Thursday morning as part of Read Across America. What a delight it was to see the eagerness in young faces to hear a poignant story about friendships.

And our After Hours Club turned out in force to help serve at the Beer Festival supporting STAR House on Saturday. They manned a triple sized tent all afternoon, pouring and greeting many folks who turned out on a gorgeous March day.

There's more...this Rotascope describes more ways to get out in the early Springlike weather throughout the month of March and serve our youth and our community. Opportunities include

- March 11 - Unity Garden volunteering Round 2. Time dig in the dirt again - signup below.
- March 18 - Roswell Rotary Relays at Roswell High School. Great day of track and field with many volunteers needed - signup below.
- March 25 - Sweep the Hooch - annual springtime cleanup of our portion of the Chattahoochee River along Riverside Road. Great way to get the whole family involved in service - signup below
- March 25 - Rotary Scholarships Essays Review - need an inside task, come help read essays from high school students seeking one of our four scholarships that we give each year.
- March 27 - Spring Blood Drive at Gate City Brewing - Give a Pint Get a Pint is back. Reserve a spot today to give lifesaving blood.

Rotary is about Service Above Self. Take the opportunity to get involved in Service this March.

Georgia Legislative Update

Lunch Speaker Kyle Wingfield: Local Legislation that Will Impact Your Business and Your Family

Tip O'Neill, a former Speaker of the US House of Representatives, is often connected to this quote that may have originated in the 1930s. Most of us would agree that Georgia policies and politics impact how our business every day. And it impacts our schools, our safety and our quality of life.

We'll hear about current proposed legislation to address education, healthcare, housing affordability and economic freedom/opportunity. With "Crossover Day," earlier this week, there is much activity underway - and opportunity for your involvement.

Believing that an informed constituency is the best constituency, and your engagement with your representatives a vital part of the process, we welcome our speaker Kyle Wingfield, the president and CEO of the Georgia Public Policy Foundation. A native of Dalton and graduate of the UGA joined the Foundation as president and CEO in April 2018 after spending 9 years as an opinion columnist for The Atlanta Journal-Constitution. He has also worked for the Wall Street Journal, based in Brussels, Belgium, from 2004 to 2009, and for the Associated Press, based in Atlanta and Montgomery, Ala., from 2001 to 2004.

At the AJC, Kyle wrote often about state politics and policy, focusing especially on

Mike McRay - 2010-2011

Past President Moment: Mike McRay

Rotary's theme for 2010-11 was "Building Communities - Bridging Continents". Our District Governor Casey Farmer was a big baseball aficionado and declared a District theme of "Field of Dreams". And somehow our President Mike McRay regaled us with "Cowboy Logic" each week. And indeed, Roswell Rotary hit is out of the park again with Service, Fun, and another Club of the Year. Come hear about Mike's year this week and check out the scrapbook that literally hit it out. And remember... "Don't Squat with Yer Spurs On!"

13th Annual “Sweep the Hooch” River Cleanup

This is a joint event sponsored by the Chattahoochee Riverkeeper and supported through Roswell Rotary, Trout Unlimited, Keep North Fulton Beautiful and several other organizations. In 2022, more than 2,300 volunteers collected almost 60 tons of trash across the Chattahoochee.

We need walkers, waders and floaters to clean up the “Hooch” along Riverside Road, including the trails, the riverbank and possibly the islands.

To volunteer you must:

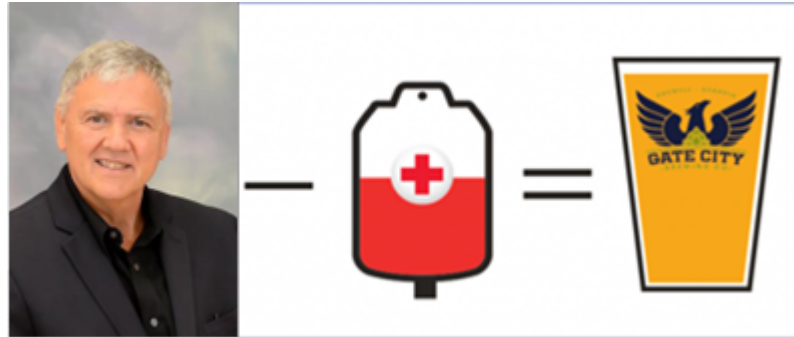

- Advise Dutch Earle, including number in you group/family participating.
- Sign Up at: <https://chattahoochee.org/sweep-the-hooch/> check the Roswell Rotary group and walker or wader. If you can float, check wader and let me know that you will be floating. If the signup is full, let me now and we will open more slots.
- Participants can park at my house, 9030 Bluffview Trace, Roswell 30076; in the Northcliff subdivision. We will then meet at the guard house, 9 AM and begin our adventure. Please wear old clothes. We will supply gloves and bags. Also, bring a “grabber” if you have or can buy one, makes picking up the trash easier!

Call me or email me if you can participate and/or have any questions!

Life's Blood On Tap...from Jonathan Crooks

Once again, we are approaching our next opportunity to provide real life to someone else. We talk often about all the wonderful eases to life that we provide to those in need whom we support through so many different projects we undertake as Rotarians.

As the former seminarian that I am, I was taught during that study not to be proud, or certainly, not prideful. Being a Roswell Rotarian for just short of three years now, I must say, it is difficult to fight that feeling of pride in being a Roswell Rotarian, because of all the wonderful experiences I observe my fellow Rotarians bring to so many people in our own community and beyond the borders of our own country.

We have before us one more such opportunity this up-coming Monday March 27th. On that day, we will once again run our Blood Drive. It is a true, and very real, opportunity to provide nothing less than life! Life giving Blood to someone who is in desperate need. You'll never know who receives it. You'll never know who was saved by it. You'll never know whose family will rest easy that night because of YOU. All you'll know is, you did it. In that knowledge you will rest at peace that evening because you made a difference. Therefore, make a difference again March 27th. Join us at Gate City and give a pint and get a pint. The place where Life's Blood is on Tap!!

Please consider participating in this endeavor so we can continue to impact lives here and throughout the state with the gift of Roswell Rotary Blood. You are going to feel great about it...we guarantee it!

[Click here to reserve a space March 27th](#) to donate. For more information, contact [Jonathan Crooks](#) 770-841-8686, [Darrell Bartlett](#) 770-883-7757, or [Hal Schlenger](#) 770-335-0077

As always, we want to thank Pat Rains and Michael Curling for the current and past help saving lives in our community.

District Conference is April 27 - 30

Rocking like only Roswell Rotary rocks!

Sunday morning...the night before we dined out together...dance and partied one last night in the hospitality suite. It was rocking like only Roswell Rotary rocks! Who let the family on the hall with young kids? Did security shut us down again because our music was supposedly too loud?

Oh well...once you start moving it's time to don your red parrot shirt...head to breakfast...and get ready to see if we win any awards. Yes, they are awarding Club of the Year again this year. You don't want to miss this District Conference in Sandestin, Florida .

Make your reservations today! [Registration and Accommodations Link](#)
