DECEMBER IS

DISEASE PREVENTION AND TREATMENT MONTH

Disease prevention and treatment takes on many forms, supporting studies to helping immunize people to improving drinking water and the sanitation infrastructure.

What You Missed Last Week!

It is beginning to look a lot like Christmas! What a great program last week with our local merchants coming and letting us know what this year deals are and must have items. If you have not done your shopping yet please don't forget to shop local.

As we gear up for the end of the year and reflect on 2021 our club has done some amazing things. We are so honored to have you apart of our club. This is a season of giving and thanksgiving for all that we have and all that we are able to do. Connect with at least one Rotarian before the end of the year: email, phone call, lunch, or just a visit personal connections are still important and so are you!
