

## From the President Andre's Desk

Time and health are two precious assets  
that we don't recognize and appreciate until they have been  
depleted.

**-Denis Waitley**

Look to your health; and if you have it,  
praise God and value it next to conscience;  
for health is the second blessing that we mortals are capable of,  
a blessing money can't buy.

**-Izaak Walton**

The Official Rotary Flag

An official flag was formally adopted by Rotary International at the 1929 Convention in Dallas, Texas. The Rotary flag consists of a white field with the official wheel emblem emblazoned in gold in the centre of the field. The four depressed spaces on the rim of the Rotary wheel are coloured royal blue. The words "Rotary" and "International" printed at the top and bottom depressions on the wheel rim are also gold. The shaft in the hub and the keyway of the wheel are white.

## **The Rotary Foundation**

**Clean water, sanitation, and hygiene education are basic necessities for a healthy environment and a productive life.**

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

### **How Rotary makes help happen**

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.
